| Nicole Miller | |
| Scott Swackhamer | |
| Kate Harms | |

---

called to order at 7:08pm

Chair's Comments: None at this time

Approval of Minutes: Will review May at July meeting

Amendments to Agenda: Bat Counts

Discussion Items:

**WREN Grant Meeting:**

WREN had a large response this year to the grants and only a selected few got the grant, we were selected as the grant was presented very well, thanks to Kate for all her effects in submitting the application on behalf of the Longswamp EAC.

Need full township support, would like to do a ribbon cutting of event next spring. Went over WREN rules, need approval on everything, went over distribution of funds, when and how much during this process is distributed out to us.
Cathi will update the excel sheet as well to include Budget and Donation tab and a resource tab.
Kate discussed the signs, (Wetland, storm water Basin, Rain Garden, Birds, Native Plants) need date for planting event.

Come to next meeting with your calendars to see what Saturday works for everyone so we can start planning, advertising and getting sponsors/resoures.

**Bat Counts:**

Cathi has bats to count.
Scott has bats to count.
Nicole to check, not 100% she has many.

Adjourned 8:41PM

Next Meeting: July 16, 2012
